Hi. I'm in the middle of writing a speech and I could use a little distraction. Would you mind coming over?

Well, actually, I was planning on staying in. It's really cold out and..

...and you're playing a video game

Look, it's not that cold out. You're just using that as an excuse to play those stupid, childish games.

Fine. Fine. I'll head over.

Dude! Let me in! I'm freezing out here!

Smooth sailing. Coming soon.
